### Hot stuff

The new Mytee Lite™ is changing the cleaning industry. How? By making it possible to do all the things a full size extractor can do, in a unit you can carry with one hand. At 3 gallons, it's the perfect upholstery spotting machine that can also do small detailing jobs effectively. It includes an on-board heater for maximum effectiveness. Goes anywhere, and cleans anything.

### PERFORMANCE

The 1000 watt in-line heater provides hot water, ensuring that grease and dirt are broken up quickly.

### CONVENIENCE AND SAFETY

The 8070's single 25' power cord is easy to handle, and the machine features a built-in cord wrap, so that it will not become a trip hazard.

### VERSATILITY

With the optional floor wand, the 8070 can be used for small carpet cleaning jobs.

### COMPACT SIZE

The 8070 can be easily stored and transported due to its convenient three gallon capacity tanks and easy-push handle.

### EFFICIENCY

The 8070 is so efficient it can maintain heat comparable to most of our competitor's dual cord units.

- 1 EASY OPEN LID
- 2 STORAGE BASKET
- 3 VACUUM INLET
- 4 CORD WRAP
- 5 HANDY CONTROLS (back)
- 6 SOLUTION INLET
- 7 6" DURABLE POLY WHEELS

At Mytee, we stand behind our products with service and warranties. The 8070 Mytee Lite™ is backed by a lifetime limited factory warranty and nationwide service network.
